Please Pray

✘ Prayer Bulletin ✘

1) Pray for my mother (David's)

I just got off the phone with my father. He was in the emergency room with my mother. She had fallen (the 3rd time in a week), but this time she broke her left leg. She suffers with heart trouble, diabetes and arthritis. Also, she had just had a biopsy done to check on a lump that was found. We would sure appreciate your remembering her in prayer.

2) Pray for my oldest sister's husband, Ivan Hurlburt.

He just had a bone marrow transplant done at Duke University. Both he and my

sister have taken up residence near the hospital in order to get the care he needs. They will be there for about 3 months.

3) Pray for our church

We have a church member with a serious sin problem who is not willing to repent. Despite our best efforts, he walked away from church "until (he) decides to get right". This will certainly hurt the cause of Christ especially to his lost family. Pray also for a family who is at a very important crossroad. They have decided to leave our church to return to their inter-denominational roots.
