BIMI MISSIONARIES IN JAPAN SINCE 1988

## ✧ Soul Winning Report ✧

Thank you for praying for us. Here is a report of what the Lord has been doing in recent days...

In June, Jannah and Jessica traveled to Okinawa where they helped in a camp ministry led by BIMI missionaries, Dan Gardner and family. Jannah was able to lead a young girl to Christ and the girls were able to counsel other campers who made decisions.

While they were gone, Jenny and I were able to help with VBS at the Faith Baptist Church in Misawa. Josiah experienced being in an English speaking class for a few days. There were six young people saved during that week.

Our church family continues to give the Gospel to people in our area. We had a great experience a couple weeks ago. I received a call from a man

who said he needed help. He drove an hour from his home to come to the church on a Wednesday afternoon. He told me of many troubles and said, "I have never been loved." Mr. Suzuki, in

his 50's, knew enough to understand who

is the God of the Bible. He had heard the story of Adam and Eve and of their sin in the garden. When I asked him if he knew why Jesus died, he replied, "To become our payment for sin." It is not often that we meet people in this country who know these basic truths. In a short while, Mr.

Suzuki met the One who loves him and gave His life for him. He bowed his head and receive Christ as his Savior.

Thank you for praying for us! Without you, we could not be here to reach people that need the Lord like Mr. Suzuki!

### Prayer Requests

- Pray for laborers! Mt. 9:38
- Pray for souls to be saved!
- Pray for a national pastor for our church.
- Jannah will be returning to West Coast Baptist College on August 29 for her Master's in Education.
