

# the Harris family serving in Japan

February 2010

We are truly grateful for your continued prayers for us and for the great needs of Japan. One of those needs is for missionaries. We are needing 10 families who will come help us. There

are scores of cities all over Japan in need of families who will give their lives to love them, to give them the Gospel, and to see churches started in their cities. Imagine, cities of 100,000 and more that have no Independent Baptist church.

## PRAYER REQUESTS

### LABORERS

10 New Families for Japan

### FAMILY

Jannah - finishing Masters; future ministry

Juliana - busy schedule at West Coast Baptist College

Jessica - finishing high school; preparing for Bible college in the fall

Josiah - enjoying a real classroom in K4

### FURLOUGH

David - traveling to report and to challenge churches until June

Jenny - filling a need teaching 5th grade at our home church

### FUTURE

Move to Kobe in June  
The work in Aomori needs a pastor

Help us pray for laborers for Japan!

### FURLOUGH

In mid-December, we arrived in Georgia to begin a six month furlough. We will be reporting to churches and challenging God's people to help us pray for laborers for Japan. We have already visited 14 churches including 4 missions conferences. Also, this time allows our daughter Jessica to adjust to life stateside before beginning Bible college in the fall.

### CHURCH

As we experienced before, we have no one to help us with our church while we are gone. Though they are doing well, David is traveling back to Japan to check on them about every six weeks. A national church is recording their services and sending an email link to our people who

download the services and watch them the following week. This is such a blessing to our people.

### MOVING

The Lord has opened a door for us to return to Kobe, our first area of ministry and to assist national churches in

church planting. This will multiply our efforts to see churches started and strengthened. The scale of the move is like moving from New York to Atlanta. There are many changes and expenses. Please pray for us during this time. Pray especially for 10 new families for Japan. We appreciate your prayers for us.
