AOMORI GRACE BAPTIST CHURCH

Thank you for praying for our church. In recent days, the Lord has blessed us with 11 first time visitors. Several of these received Gospel flyers that are distributed weekly by our people. Despite the snow, we have some faithful people who continue to give God's Word to those around us. Three different ladies who visited live within walking distance of the church. It is encouraging to see people respond who live so close. One

lady brought her twin sons. Another came alone and later brought her mother. A third lady is divorced and brought her daughter. Please pray for these that they will soon trust Christ as their Savior. Pray also for the families and friends of our church members to be saved. Many of them are the only Christians in their families. We are still in need of a building and a national pastor. Pray also that God will open doors for us to start other churches in the area.

Joy Club

On Saturday mornings, several families bring their children to church to learn English and Bible. Many of the mothers sit in an adjacent room and hear the Bible stories too. The kids enjoy games, stories and special events and learn about Jesus. Please pray for the many children and parents who are a part of this ministry.
